1. Terms and Conditions.

DeposZip is RTNFCU’s remote deposit capture service. Remote deposit capture allows a user to scan checks and transmit the scanned images to the financial institution for deposit. **DeposZip allows you to make deposits of checks (“original checks”) into your accounts from your personal computer or remotely via your mobile device. DeposZip captures an image of your original check and delivers the digital image and associated information to us or our processor.** The financial institution in turn transmits the scanned image, ACH data, or a substitute item to the paying financial institution for collection.

Certain member eligibility requirements apply to use DeposZip. **Members are required to be enrolled in either RTN’s online banking or mobile app, enroll into DeposZip and meet eligibility requirements.** To be eligible to use this service, I must be an individual member or a business member in good standing with you, be registered to use your online banking product or mobile app and at least one member must be at least 18 years of age. Membership in good standing includes, but is not limited to, no overdrafts, return items or delinquent loans. Members not in good standing can re-apply for the DeposZip service after 90 days.

Any image of a check that I transmit to you must accurately and legibly provide all the information on the front and back of the check at the time presented to me by the drawer. Prior to scanning the original check, I will endorse the back of the original check. My endorsement will include my signature and the following information: Account Number and the words "For mobile deposit only to RTN Federal Credit Union".
