

A Match Made in Hudson

May 2017

Welcome to RTN! We are open for business in Hudson

We hope you have been enjoying your membership in RTN Federal Credit Union. As always, we invite you to continue to stop in at our Hudson branch to conduct all your 'banking' needs including mortgages, car loans and many additional savings and investment services.

We look forward to offering many more services beginning July 1, 2017, when the computer systems consolidation with Hudson Municipal Employees Federal Credit Union is completed. ♦

New VISA Debit Card coming soon!

In mid- to late June you will be receiving a new RTN VISA Debit card for use starting on or after July 3, 2017. Although we recommend you activate your RTN VISA Debit card as soon as you receive it, your new card will be available for use starting on July 3. Your Hudson MEFCU debit card will cease working the morning of July 9. **Please Note:** If you have recurring charges such as gym memberships, cable bills and phone and utility bills charged to your debit card, please update your provider with the new VISA Debit card number in order to continue your timely payments. ♦

Convenient Online Banking

In order to access your account electronically, you will need to enroll in RTN Online Banking on or before July 1. If you previously used Hudson's Online Banking, you will need to re-enroll. You can sign up for Online Banking at rtn.org and click on "First-time user? Enroll now" in the white box on the home page.

Online Banking gives you safe and easy access to your RTN accounts. You can review your balances, make transfers, pay bills with Bill Pay, deposit checks remotely with DeposZip and enjoy many other conveniences. You also can receive your important RTN documents quickly and securely by enrolling in eDocuments. Sign up to receive your statements through eStatements, tax forms through eTaxes and notices (loan/mortgage/home equity bills, certificate maturity, escrow analysis, etc.) through eNotices. You'll save yourself time, plus a tree or two. ♦

Join us at the Hudson Branch for Member Roundtable Discussions on the benefits of your RTN membership. These informal, drop in sessions are open to members Thursdays and Fridays through Labor Day Weekend. Drop in for a complete schedule with times and topics.
