Newton resident helps build beds

Newton resident Sarita Ledani recently helped build beds for a Bed for Every Child in a Build-A-Bed Challenge between Cooperative Credit Unions and East Boston Savings Bank.

Two rival teams participated in the competition: East Boston Savings Bank Association represented by six member credit unions – Hanscom Federal Credit Union, Jeanne D'Arc Federal Credit Union, MassMutual Federal Credit Union, New England Federal Credit Union, RTN Credit Union, and St. Jean's Credit Union; and RTN Credit Union & Workers Credit Union. The goal was to determine which team can build the most beds for children in a two-hour time frame. Forty volunteers helped build 40 beds.
